Brad Pitt

Los Angeles, CA

 Premium Quality

What I love is the tagless design, which adds to the comfort. The colors are vivid and stay that way. I usually purchase mine locally and have some of these that have gone through thirty wash cycles and they almost zero fade. Another thing I love is the relatively thick cotton fabric. Compared to the lighter ones I mentioned, these are noticeably heavier, but still breathe on hot, humid days. I wear this model both as an outer shirt, and as an under shirt, and it works well in both scenarios.
